

*Growing and  
Learning Together*

## Autumn Term 2 Theme

# *Wisdom*

Linked with Perseverance and Creativity

## *Church Services*

This term we have two churches. The first will be held on Thursday 14<sup>th</sup> November to commemorate Remembrance Day and the second service will be on Thursday 12<sup>th</sup> December to celebrate Christingle. Both services start at 9:15 am and we look forward to seeing you there.

## *Whatfield Advocates*

Our advocates have had a busy start to the school year, they have taken on full responsibility of setting out our Collective Worship space every day and have enjoyed working with our Lay Minister and newly appointed Reverend. Advocates have met several times and have decided to fund raise for Homelessness in particular the charity Emmaus, look out for further correspondence about these events.

## *Spirituality*

Thank you to those families and children who are answered our last question about 'what makes a good friend?'

Our question this term is;

*'What choices are wise?'*

If you wish to record an answer from home then please come and find a paper leaf for recording an answer on outside the offices.

Both our KS2 classes enjoyed visits to Churches last half term and the children had opportunity when visiting to have a moment of reflection.

## *School Prayer*

Together during Collective Worship time the children thought about lots of words and phrases associated with our school vision, The Mustard Seed parable.

If you would like to see a copy of our school prayer please click [here](#).
