Reception

We will be exploring 2D and 3D shapes, place value up to 10, mass and capacity.

Year 1 and 2.

We will be looking at addition and subtraction within 100, multiplication and division, length and height and statistics.

Acorn class

A message from Miss Young

Hello,

Welcome to Acorn class!

This year we are bringing imagination to the classroom! We will start and end the day with discussing what adventure we are/ have been on. Please do ask your children after school 'what adventure they have been on today'.

Our P.E days are Monday and Wednesday please make sure the correct P.E kit is in school and earrings are removed. Wellies can stay at school on our welly rack.

Please message me on Dojo or catch me in the mornings or afternoon with any concerns.

English

This term we will be following the drawing club to focus on sentence structure and key writing skills. We will be looking at the books.

- Pirate Pete
- Lost and Found
- Jack and the bean stalk
- We're going on a bear hunt
- How to catch a dragon

Phonics

We will be carrying on with Little wandle phonics, all children will have daily phonics followed by a reading session. Your child will be bringing home reading books on a Friday and these will be changed weekly. Your child will also be bringing home a 'book to share'. This is a book you can read together and enjoy.

This term Reception will be learning digraphs and trigraphs and carry on blending CVCC words. Year 1 will carry on looking at phase 5 sounds, reading longer words and answer questions about a text. Year 2 will be focusing on spelling patterns such as homophones.

Look out on class dojo for information about a shared reading session.
